Dear Mr. Lederberg:

In reply to your letter of September 11, there should be no difficulty in obtaining permissions for the re-publication of Haldane's essays. In fact, for the kind of book you have in mind I expect that publishers would charge us very little. We have published a similar book recently without much trouble -- SYMMETRIES AND REFLECTIONS, Scientific Essays by Eugene P. Wigner; I am sending you a copy of it separately.

Do let me know what Miss Spurway has to say. We are quite keen on this project and would like to render you any assistance we can in seeing it through.

Sincerely yours,

Michael A. Aronson

P. S. Thanks for sending me the epigrams. Does Dronamragu's book have a publisher yet?

Yes - Acad. Press!
